

## Stores Operative

**Position:** Stores Operative

**Qualification:** N/A – See Experience

**Location:** M1 Corridor, Greenore, Co. Louth

### About XOCEAN

XOCEAN is an ocean data company – we collect data for clients ranging from mapping the seabed to monitoring the environment. However, we do this differently, instead of using conventional crewed survey ships, we have developed a marine robotic system known as an Uncrewed Surface Vessel (USV).

### Overview

Support the Procurement team in the control of USV components and general consumables.

### Main Duties & Responsibilities

Responsibilities will include:

- Day to day management of components stock for spares and future production.
- Day to day management of workshop consumables.
- Receipt of incoming goods.
- Management of outgoing goods.
- Procurement assistance as required.
- Ownership of stock levels in site kits across the fleet.
- Performing regular stock checks.

### Requirements: Essential Skills / Attributes and Experience

- Inventory/ stock management experience in a similar role.
- Proficient in the use of Microsoft Office.
- Excellent organisational skills.
- Excellent communication skills.
- Ability to work under pressure keeping quality to a high standard.

### Desirable Experience

- Experience in an engineering company.
- Previous experience in a stock management role.
- Knowledge and experience of Inventory Management/ ERP Systems.

### Apply

- Applicants must demonstrate how they meet the essential criteria. Desirable criteria may be used for further shortlisting.
- We thank all candidates for their interest, however due to very high volumes, only those who are selected for further consideration, will be contacted directly.
- To be eligible for this position you must have a valid working visa / permit to work in Ireland.
- Closing date for applications is 1<sup>st</sup> October 2021.
- Please apply online and follow the instructions, or submit your CV to [careers@xocean.com](mailto:careers@xocean.com).
