Responsibilities will include:

- Mobilisation of USVs for departure to projects or sea trials, including preparation of site kits, securing for road trailing, securing for container delivery and completing associated checklists at Rathcor Technical Centre.
- On water escorting of USV in Carlingford Lough as part of support vessel compliment, acting as company representative to ensure safe operations are carried out.
- Assisting the maintenance and survey teams with fit out of survey equipment and general maintenance duties.
- Compliance with, execution and promotion of Quality, Health and Safety standards during all aspects of daily tasks including transport of vessel and launch and recovery of vessel.
- Participating in daily Toolbox talks.
- Liaising with support vessel owners/ crew on scheduling and timings for local USV operations.
- Providing local, on the ground, assessment of conditions and circumstances to aid project decisions.

On occasion this role may involve:

- Standby duty for emergency response during USV operations.
- Working shift work to cover 24-hour operations.

### Requirements: Essential Skills / Attributes and Experience

- Marine experience, small craft or commercial qualifications.
- Hold full clean driving licence.
- BE or higher classification drivers' licence or experience of towing trailers.
- Good time keeping.
- Positive attitude.

### Desirable Experience
